The Woman in the Window A. J. Finn, 2018-01-02 #1 New York Times Bestseller - Soon to be a Major Motion Picture starring Amy Adams, Julianne Moore, and Gary Oldman - Available on Netflix on May 14, 2021 “Astounding. Thrilling. Amazing.” —Gillian Flynn “Unputdownable.” —Stephen King “A dark, twisty confection.” —Ruth Ware “Absolutely gripping.” —Louise Penny For readers of Gillian Flynn and Tana French comes one of the decade’s most anticipated debuts, to be published in thirty-six languages around the world and already in development as a major film from Fox: a twisty, powerful Hitchcockian thriller about an agoraphobic woman who believes she witnessed a crime in a neighboring house. It isn’t paranoia if it’s really happening . . . Anna Fox lives alone—a recluse in her New York City home, unable to venture outside. She spends her day drinking wine (maybe too much), watching old movies, recalling happier times . . . and spying on her neighbors. Then the Russells move into the house across the way: a father, a mother, their teenage son. The perfect family. But when Anna, gazing out her window one night, sees something she shouldn’t, her world begins to crumble—and its shocking secrets are laid bare. What is real? What is imagined? Who is in danger? Who is in control? In this diabolically gripping thriller, no one—and nothing—is what it seems. Twisty and powerful, ingenious and moving, *The Woman in the Window* is a smart, sophisticated novel of psychological suspense that recalls the best of Hitchcock.

Dani's Story Diane Lierow, Bernie Lierow, 2011-09-29 Neglected beyond belief, rescued by love... Dani was so severely neglected by her birth mother that she grew up knowing only squalor. She never went to school or the doctor, and rarely glimpsed sunlight. Desperately malnourished, she couldn't talk and had never been toilet-trained. The social worker who took her into care had never heard of a case so horrific. The doctors believed Dani would never recover from such a terrible start in life. Then she met the Lierows - a unique, blended family who were seeking to adopt a child. Despite being warned that she was way beyond hope of a normal life, they were instantly drawn to her and sensed a bright light behind her pale complexion. When they finally adopted her, they showered Dani with so much affection and encouragement that she came to life for the first time. Proving all the experts wrong, Dani would go on to open up and express herself in a way that no-one could have expected. Dani's remarkable and heartwarming story is a testament of the power of kindness to overcome even the most seemingly insurmountable challenges.

A Light in the Window Marion Kummerow, 2021-07-20 Margarete stumbles out of the bombed-out house, the dust settling around her like snow. Mistaking her for the dead officer's daughter, a guard rushes over to gently ask her if she is all right and whether there's anything he can do to help her. She glances down at where the hated yellow star had once been, and with barely a pause, she replies "Yes". Berlin, 1941: Margarete Rosenbaum is working as a housemaid for a senior Nazi officer when his house is bombed, leaving her the only survivor. But when she's mistaken for his daughter in the aftermath of the blast, Margarete knows she can make a bid for freedom... Issued with temporary papers—and with the freedom of not being seen as Jewish—a few hours are all she needs to escape to relative safety. That is, until her former employer's son, SS officer Wilhelm Huber, tracks her down. But strangely he doesn't reveal her true identity right away. Instead he insists she comes and lives with him in Paris, and seems determined to keep her hidden. His only condition: she must continue to pretend to be his sister. Because whoever would suspect a Nazi girl of secretly being a Jew? His plan seems impossible, and Margarete is terrified they might be found out, not to mention worried about what Wilhelm might want in return. But as the Nazis start rounding up Jews in Paris and the Résistance steps up its activities, putting everyone who opposes the regime in peril, she realizes staying hidden in plain sight may be her only chance of survival... Can Margarete trust a Nazi officer with the only things she has left though... her safety, her life, even her heart? A totally heartbreaking and unputdownable story about how far someone would go to save one life, that fans of *The Tattooist of Auschwitz*, *The Nightingale* and *All the Light We Cannot See* will adore.
